Ages 10-16 years old (\$250)  
Monday through Thursday, 9:00am till 3:00 pm  
Friday, 9:00 am till noon

EMC's ROCK CAMP will provide budding musicians from ages 7 to 16 with an opportunity to develop their musical talents in a group setting. The camp will provide intensive group instruction and will expose students to music theory, history and appreciation while they hone their musical talents and prepare to perform in a series of local performances throughout the summer.

This has been quite a year for The EMC Bands! Not only did The Black Jacks win the 2<sup>nd</sup> Place honor at The Battle of The Bands at Susquehannock High School, but the musicians have improved significantly as performers and technicians while under the direction of EMC's talented staff.

With access to exceptional music, dance, and theater educators, we will continue to enrich the bands with all the resources that we have access to at EMC!

*We are currently seeking musicians for  
ROCK CAMP and next year's BANDS!*

The ROCK CAMP will serve as a week-long audition for next year's BANDS. It will also be an exciting educational experience for those who may or may not be interested in or ready for full-time band participation.

*Photos and Staff biographies can be seen on our website:

***Is your young musician ready to take it to the next level?***

Register for ROCK CAMP and participate in the Summer Performance Tour!

Afterwards, exceptional musicians may be assigned to one of EMC's BANDS for the next school year!

***\*Those who are invited to join an EMC Band must continue their lessons, rehearsals and performances throughout the upcoming school year.\****

Participation in ROCK CAMP and/or an EMC BAND requires at least one year of previous private instruction in your instrument, a willingness to practice at home, a desire to grow as a musician, strong parental support, and of course a great stage personality!

All qualifying band instruments and vocalists are welcome to attend ROCK CAMP.

Students will be required to provide their own instruments and a bagged lunch for the week. Keyboards, drums, percussion instruments and amps will be provided.
