

## Recreational Dance Classes: Dancin' for Fun!

### IMPORTANT NOTE FROM THE DIRECTOR

*We no longer offer Dancin' for Fun Classes for 3-6 year olds. We believe so strongly in our Kreative Kidz Program that we must, in good conscience, steer our youngest dancers in that direction.*

*Over the years, we have listened to our customers' requests for a scaled down introduction to dance, and have done our best to deliver a program that meets the needs of our community, however as dance educators, we must remain true to what we believe is in the best interest of our students. After all, as parents, you come to EMC because you believe in our ability to properly educate young dancers.*

*We have modified our Kreative Kidz Program by reducing the tuition and stream-lining the rehearsal schedule, but the quality of instruction remains the same.*

*On behalf of the Kreative Kidz staff, we invite you to experience what we believe is the strongest pre-dance program in the area.*

*Your child will receive individualized attention and will be treated like the "little star" that she (he) is!*
